PLEASE DO NOT ADJUST THERMOSTAT

The temperature in municipal facilities is automatically optimized for energy savings and comfort.

Adjusting after-hour temperature setpoints can reduce energy use by 7%, based on participant data from the Municipal Climate Change Action Centre.

Your comfort is important and we want to get this right. For any adjustments, please contact the facility manager.

Municipal
Climate Change
Action Centre

GIVE YOUR COMPUTER THE NIGHT OFF

When you clock out, please turn off your computer. You could be cutting your energy use by 66%!

Thank you! Your small, daily act helps the municipality save money and energy.
